Bar Nine

- Well structured and works within a grid system.
- Logo is simple, elegant and captures the “feel” of the cafe.
- The overall design is very modern, clean, and the website is easy to navigate.

Coffee Connection

- There are links to the cafe's social media pages at the top of every page.
- There are a lot of high res well-lit photos on the site.
- The site is responsive and looks good when accessed from a mobile phone.

Balconi Coffee Company

- The color scheme works on the homepage and stays consistent throughout the entire site.
- The website is responsive and works when accessed from a mobile phone.

Alfred

- The logo is interesting and eye-catching, and the overall design is quirky and playful.

5 Goals

1. The goal for the redesign is to make the Undergrind Cafe website stand out against all of the other cafes in the area.
2. The website needs to be stylish, tasteful and balanced.
3. The website must contain all of the relevant information.
4. The logo needs to be redesigned.
5. The website's overall aesthetic needs an update.
