Arrange

Control the order of objects on the z-axis of the artboard.

Object → **Arrange** → **Bring Forward**

Object → **Arrange** → **Bring to Front**

Object → **Arrange** → **Send Backward**

Object → **Arrange** → **Send to Back**

Arrange

<mark>Group/Ungroup</mark>

Hold multiple objects together as one selectable, connected object.

Object → Make Group

Object → **Ungroup**

Makes an object unselectable and unmovable.

Object → Lock

Object → Unlock All

Temporarily remove the object from the artboard.

Object → Hide

Object → **Show**
